

# EverPlay™

Introducing our **NEW** outdoor play furniture.

**Made from recycled milk jugs, this play furniture is durable, super strong, and won't splinter, crack, or rot.**

- Easy to clean and requires no winter storage.
- EverPlay™ products are strong, sustainable, and maintenance-free.
- Ideal for any location – from extreme cold, desert, or saltwater climates. Plus, they are wind-resilient!
- Each piece is made in the Heartland USA and backed with a 15-year warranty.
- Rust-resistant stainless steel hardware.
- Stain-resistant, non-porous, and easy to clean.
- Does not get as hot as composite material when exposed to sun.

# Outdoor Play Spaces

EverPlay™ Outdoor Furniture is a perfect fit for the outdoor classroom and play space. Tables and benches offer ample space for exploring, creating, and discovering while enjoying the outdoors whether they are sitting down to a freshly-brewed “herbal tea” from their EverPlay™ Mud Kitchen, taking a break with friends, or working on a project on their EverPlay™ Work Bench.

## Mud Kitchen

Whether they are whipping up a mud pie or serving up something special at their very own mud café, kids will love the EverPlay™ Mud Kitchen.

**JNT11324**

45" W x 17.5" D x 35" H

## Work Bench

Kids will have a blast using the EverPlay™ Workbench for building, gardening, and tinkering. There is plenty of surface space for endless open-ended play.
